Dear Lee.

FOR ADDRESS ONLY

214 Morningside Ave.
Oct 19th 1900

Why Lee I should have been much interested to hear from you lately. Did you have a good rest? You are in our new house. It is all very nice & comfy, our Baby Boy never could be quite ideal. But it is a good deal to have whenever we can't let Lost it was always "in a state of delightful confusion" & the other night after dinner Mr Bonner was stiffing yawns & Mrs Bonner said "I wish you would stretch & yawn & get it over." Our lyon are beautiful & I am sweet. Our love to you. Ella Piper Cully
